## JSI History

JS International, Inc. was founded in 1997. The company has grown from a modest 5,500 square-foot warehouse, with only an oak kitchen and vanity line, to four locations with a combined square-footage approaching 440,000; a 125,000 square-foot facility in Fall River, MA, a 115,000 square-foot facility in Bolingbrook, IL, a 140,000 square-foot facility in Atlanta, GA and a 60,000 square-foot facility in Denver, CO. All locations are situated to allow easy access to major trucking routes for re-distribution.

The company's vision was, and remains, to provide a unique combination of fashion and value to create a higher level of satisfaction for homeowners. This includes a strong commitment to quality, dependability and service, which continue to be an integral part of JSI. JSI's Mission:

*"To provide affordable fashion for today's home."*

JSI began as, and is today, a family-run business. We have over one hundred employees and all our Designer cabinets are assembled right here in America. Our growth – in both product offerings and facilities – is founded in sincere care for our customers and employees. For the future, we'll continue to make a great place to work, satisfied customers and fashionable cabinetry at an affordable price.
