What's New In Basketball Scoreboard Pro?

Basketball Scoreboard Pro is a software tool which, as the name hints at, enables you to keep score at basketball matches. The installation process is smooth and it is over in a few seconds, while the interface boasts a simple and intuitive design. This means all user categories can work with it, regardless of their level of experience. This utility encompasses a countdown, timeout and shot clock, which you can easily start, stop or reset. Aside from that, you can also keep track of the period, score points for home and visitor teams, as well as statistics such as total number of fouls in game and per team, as well as timeouts left. Almost all aspects of this software program can be customized, which is a very efficient feature. To be more precise, you can personalize all colors (for period, scores, fouls, shot clock etc.), change the names of both teams and upload pictures for them in BMP, JPG or GIF formats, and modify sounds, by importing WAV files from the hard drive. Furthermore, it incorporates a large number of keyboard shortcuts, for almost all actions available, and they can be printed directly from the settings panel or personalized. It is also possible to change the scoreboard title, length of period, timeout and shot clock, digit type and show or hide different windows. To sum up, Basketball Scoreboard Pro is a useful piece of software, when it comes to keeping score for particular basketball matches. It does not burden your computer's performance, has a good response time and many configurable options to keep you busy. Our tests have revealed no errors or crashes. Feature List: ?
