### **Features Key:**

**Explore a vast world.** Feel the joy of discovering unknown and overwhelming threats that advance the story with each visit.

**Customize your character.** Fill in the gaps left by the game's prologue with a unique career path.

**Fight on the one-on-one battlefield.** Take on as many opponents as you like, in single-player battles against up to eight different opponents or in multiplayer up to twelve players per match.

**Explore the Lands Between.** The lands between the two dimensions, which consists of the real world, and the Dwimmermount, the shadowy Mountains where the seven Elden Lord's Lodges are hidden. The Lands Between is where you acquire the power to wield the powers of the Elden Ring

---

and become an Elden Lord who is capable of re-creating the world.

**Create a phenomenal battle strategy.** You can freely use every battle strategy in the game.

**Build a two-dimensional world.** Endless resources can be obtained by collecting a variety of resources from your journeys and transforming them. You can renovate your hometown, build weapons and accessories, and create NPCs.

**Prepare yourself for the battle.** The equipment and items will become more powerful as your quest progresses.

**Tireless, universal gameplay.** You will soon get tired of that.

**Refined, where action and graphics meet.** The graphics and interface are also designed with action RPG games in mind, making everything go smoothly.

## **Please note:**

- **Elden Ring 2 is not yet compatible with the “iPad” series. The game works best on an iPhone 4 or later.**

**Pre-registration is required for this title.**

**■ Summary of Changes made during the Early Access version**

- Skill Enchanting: Skill Enchanting is a support skill that is added as one of the skills in the class. This function allows you to increase the stat of an equipped skill by using the skill itself or an effect that enhances the effect of the skill or one of its properties.**
- Cards in Dungeons: Cards in Dungeons is a support skill that lets you enter a card as your Support Card to generate a random effect based on different conditions. You can choose from a maximum of 2 different support cards that depend on the type of card. The effect can be used as a buff against mobs, traps, and magic at a Level 2 effect level. However, as the level increases, the buff effect is applied to more monsters and affects a higher number of mobs.**
- Dispel Effect: Dispel Effect is a buff skill that casts a buff effect to dispel negative effects. Dispel can be used to negate status ailments such as poisons or limited stamina of monsters and NPCs, as well as elements such as negative effects. Dispel can be used as a buff skill with the maximum Item Level of 600.**
- Dread Share: Dread Share is a buff skill that removes the effect of negative status ailments and negative effects on monsters and NPCs.**
- Loot: Loot is a buff skill that is used to increase the item drop rate. This effect is limited to items above the Item Level of 649.**
- Boss Skin Drop Rate: Boss Skin Drop Rate is used to increase the rate at which boss skins are gained in battles with monsters of higher Level than the Item Level of 649. The skills that can be used by each class have been added to the description. Note: PvP and PvP Events are in a full-scale PvP mode. When combining the items your class uses, you are restricted to a**

good at the things they do.It's a fun game! Tried it for a few hours. I'm looking forward to playing more.I only wish that when I first logged in, I could've managed to beat my current high score. Right now, I have a mediocre 560. It would be nice to get to 700. Anyhow, a very good game. A completely unique feel to it. Even better than I expected. The fact that your race and gender seem to determine a good deal of the story is pretty awesome. If it makes more sense, you could even share your own race and gender
