pleasure of working with Kevin on a recent local search project. His  
knowledge of the various SEO strategies, and the wide range of  
skills necessary to pull a project off effectively, made him an  
excellent choice. I've had a long list of SEO gigs and have had  
great results by using his services, and look forward to continuing  
our relationship in the future. First off, thanks for coming in and  
taking the time to review the site. We appreciate it, and you've  
been extremely helpful in making some solid suggestions. We're  
interested to see where we go with this project. We'd also like

top five films of all time Danny Boyle has said his first five films are  
"certainly the most important, influential films of all time" and that  
they have inspired a whole new generation of filmmakers. The  
filmmaker also revealed that the first five films he ever watched  
were a "revival of cinema". Speaking at a Manchester International  
Festival event, he said: "Cinema is kind of in turmoil, but I think  
with my first five films they're certainly the most important,  
influential films of all time." Boyle has now posted the full interview  
on his blog. He went on to list his five top films as part of a  
celebration of 10 years of the MTV Europe Music Awards, which he  
hosts. They are: Reservoir Dogs, Trainspotting, 28 Days Later, A  
Life Less Ordinary and Slumdog Millionaire. Boyle has been  
nominated for two MTV awards on Tuesday and says he has loved  
working at the event for the past five years. Speaking about the  
event itself, he said: "A lot of people come up to me after the
