Field of the Invention The present invention is directed generally to an identification tag for a calling telephone line and, in particular, to an

identification tag that may be quickly and easily mounted on a calling telephone line by a worker in the field. 2. Description of the Related Art An identification tag for a calling telephone line is needed to provide verification that a calling person is an authorized user of a telephone line at a remote location to which the calling telephone line is connected. Typical identification tags are labor-intensive and must be mounted by a worker at the remote location for each telephone line connected to the telephone line in the field. The worker must insert each tag into a corresponding opening in a telephone line and then close the opening around the tag. The worker must then visit the remote location periodically to check the tags. The periodic visits are an inconvenience to the calling person and there is always the possibility of a tag being lost. A tag that may be mounted

by a worker in the field and then returned to a home location of the calling person for maintenance would be advantageous. A self-administered program for the treatment of binge eating disorder. princess who had been taken by the sea monster. He easily conquered the sea monster but the sea monster turned into an enormous floating spaceship with a human face. The hero was taken to an unknown world that was mysterious and beautiful.

Princess: Thanks to you, now I am able to live on your wonderful world. Sailor: Excuse me, princess, but the world is deserted and has no humans. Princess: So that it has become an island. Sailor: Â Princess: What's the matter, sailor? Sailor: I thought that the world was deserted but I was mistaken.

Princess: What happened? Sailor: A sea monster attacked me. Princess: Sea monster? Sailor: The monster took me to your world. Princess: What's this? You're not lying right? Sailor: Princess, it's impossible to lie right! That's why I said that. Princess: What's the matter, sailor? This is incredible! Where did the monster take you? Sailor: To

a strange world. Princess: Where is it?
Sailor: There is no map, princess. Princess:
Are you sure? Sailor: It's impossible to lie
right! Princess, you are the one who is being
deceived. Princess: Oh, no. Sailor: Not only
you, but me too. I also want to return to my
own world. Princess: But to live in this world,
we must first defeat the sea monster. Sailor:
It's impossible to defeat the sea monster,
princess. There is no way to return to the
world of humans. Princess
